

Greetings,

The Snow King Sports School is proud to offer our schedule of Children's Local Programs for the 2011-2012 winter seasons. We are currently assembling our instructor group for this season and gearing up for a great winter. All ability levels are welcome and we will do our best to maintain reasonable class sizes for an optimum learning experience. Initially the drop off/pick up area will be located in the lower parking lot in front of the hotel near the new location of the rope tow along Snow King Ave. As your children improve, new drop off areas will be identified near the Rafferty Lift.

Please read the descriptions of our program offerings carefully and please take the time to download and fill out the Release of Liability Waiver, and Student Leveling Form. Please include all forms to ensure a worry-free registration!

Registering before the first lesson is imperative in order for us to properly assign groups and schedule our instructors. Limited space is available for lessons, so please take these items into consideration.

Please return all forms to:
